

**CALL FOR VOLUNTEERS**  
**Wills Navigator Program**

The Legal Information Society of Nova Scotia (LISNS), in cooperation with the \_\_\_\_ (example, public libraries) across the Province has launched the **Wills Navigator Program**.

**How it works?**

The program places trained volunteer members of the public (Wills Navigators) in a public location (such as the local library) to help people who want assistance with preparing to make a will.

This program is designed to help people understand what is involved with making a will and to do the pre-work to get ready to make a will either on their own or with the assistance of a lawyer. The goal is to reduce the time a person is required to spend with a lawyer by removing the need for the introductory meeting. Using the LISNS Wills App, a person can do the pre-work for making a will on their own..

Wills Navigators will provide legal information only, not legal advice. Feedback so far indicates that that personal help does assist people with preparing to make a will.

This program relies upon community members in any given area who are willing to volunteer a small amount of time to act as a Wills Navigator. **We hope that with your help we will be able to find volunteers.**

**Who are we looking for?**

- ◇ People living in or with transportation access to a public meeting space
- ◇ Reliable participants who will commit at least one afternoon a month
- ◇ Schedules will be flexible to meet a volunteer's work and personal commitments.
- ◇ People willing to learn
- ◇ There will be an information session to explain the materials to volunteers and answer any questions.
- ◇ Ongoing teaching sessions will take place to adapt to the feedback we get from people being helped by the program.
- ◇ People interested in helping others, law, the legal system, or access to justice.

Whatever the reason to help we welcome the support and effort. We appreciate your help and look forward to hearing from you.

Please contact \_\_\_\_\_ if you are interested in learning more about volunteering.
