Are you waiting for the perfect time to write your will?

Do you think a will costs too much?

Is your will out of date?

Do you understand what happens if you die without a will?

Help is here to get ready to do your will

This session will help you prepare for writing a will using a free, easy to use 12 step process ([LISNS Wills App](#)).

At the session you will be provided with information on the free 12 step process for preparing to do your will and review the sample wills templates. You will also be provided with a lawyer referral to lawyers who are supporting this project through preparation of reasonably priced wills.

This is a pilot project

The LISNS Wills App is the first of its kind in Canada. Sessions are being scheduled around the Province. Individuals who attend the free Get Ready To Do Your Will session will be asked to provide their feedback on the meetings. This feedback will be critical to making this project helpful.
